Coro, Venezuela • mscoronado630@gmail.com • + 58 4149687665

Education

Universidad Politécnica Territorial Alonso Gamero   Coro, Venezuela
Associate of Sciences in Computer Sciences   April 14, 2025

U.E Nuestra Señora de Guadalupe   Coro, Falcon
High School Diploma   July 15, 2019

Experience

The Hydrological Company of Los Médanos Falconianos (Hidrofalcón)   Coro, Falcon
Junior Developer Project (Social-Technological Project)   March 2025 - March 2026

- **System Design and Development:** Designed and developed an inventory management system for computer equipment using PHP, MySQL, and the MVC architectural pattern to optimize the control of technological assets.
- **Impact and Management**: Implemented a centralized database that enabled real-time tracking of more than 2000 pieces of equipment, eliminating reliance on manual records and reducing inventory errors.
- **Maintenance and Support**: Deployed the system and provided basic technical support, ensuring data integrity and training end users on the platform.

Leadership & Activities

Universidad Politécnica Territorial Alonso Gamero   Coro, Falcon
Spokesperson for the section   October 2023 – March 2026

- Represented my section on the university council, communicating and managing access to services such as transportation, medical assistance, and student identification
